

Extension on Assignment Submission

Subject : Request for Extension on Assignment Submission

Dear Professor,

I hope you are doing well. I am writing to respectfully request an extension for the submission of the English Tutorials, which is currently due on 25 March 2026.

Due to my Hackathon Competition I was involved in for the 5 days , I have been unable to complete the assignment to the best of my ability within the given time. I want to ensure that I submit work that reflects my understanding and effort.

I kindly request an extension until 31 March 2026. I assure you that I am actively working on the assignment and will submit it within the extended timeframe if granted.

I sincerely apologize for any inconvenience this may cause and appreciate your understanding and consideration.

Thank you for your time. I look forward to your response.

Yours sincerely,

Shubh Gupta
