Subject : Application for Summer Internship Opportunity

Dear Sir,

I hope you are doing well. My name is Shubh Gupta, and I am currently a Fresher student pursuing B.Tech in Computer Science at VIT Bhopal. I am writing to express my interest in a summer internship opportunity at your organization.

I am particularly interested in gaining practical experience in full stack web development, and I believe that your company's work in this domain aligns well with my academic background and career goals. Through my coursework and personal projects, I have developed skills in Python, React, problem-solving, and I am eager to apply and further enhance these skills in a professional environment.

I am highly motivated, quick to learn, and enthusiastic about contributing meaningfully to your team. I would greatly appreciate the opportunity to be considered for a summer internship position. I have attached my resume for your review.

Thank you for your time and consideration. I look forward to the possibility of working with your organization.

Yours sincerely,

Shubh Gupta
